CAREER OBJECTIVE

To obtain a responsible position in a reputed organization and begin my career in an environment that provides opportunities to utilize my technical knowledge, programming skills, and creativity to contribute to the growth of the company as well as my personal development

EDUCATION

- Diploma in Computer Science and Engineering, from Beharagora polytechnic college (2024-2027).
- Completed Secondary Education 10th from T.P.S. D.A.V. Public school, Baharagora under CBSE Board in 2023.

INTERNSHIP EXPERIENCE

Web Development Internship – PaulTech Software Services (OPC) Pvt. Ltd.
June 2026 – July 2026 | 45 Days

Completed a 45-day internship in Full Stack Web Development, gaining practical experience in developing responsive and user-friendly web applications. Worked with HTML, CSS, Bootstrap, and JavaScript, with a focus on responsive design, web accessibility, DOM manipulation, cross-browser compatibility, debugging, and frontend testing in a professional work environment.

PROJECTS

Portfolio Website – Personal Project

Designed and developed a responsive personal portfolio website to showcase projects, technical skills, and contact information. Implemented modern UI design, smooth animations, and mobile-friendly layouts using frontend technologies.

Technologies: HTML5, CSS3, Responsive Design

Live: https://manish-kumar-mandal.github.io/Portfolio_web/

MEDCONNECT WEBSITE-FRONTEND&BACKEND PROJECT

Developed a responsive web application for online medical consultation and appointment management, focusing on a clean, accessible, and user-friendly interface. Implemented responsive layouts and interactive components to provide a smooth experience across different screen sizes.

Technologies: HTML5, CSS3, Bootstrap, Django, Responsive Design
